DAX PATRIOT

Multi-Color Thin Line Identification Pack

FEATURES:

- **Shell** – Made from fiber reinforced resin to withstand impacts.
- **Internal Liner** – Six Point Suspension - multiple points of contact allow for superior impact absorption.
- **Padding** – Perforated Clarino synthetic leather comfort dome with molded EVA foam insert provides additional shock absorbing protection for the top of head.
- **Retention System** – Our uniquely designed LUX Suspension & Retention System delivers a comfortable and secure fit at all times.
- **Oversized Ratcheting Fitment Dial** – Adjust fit with or without gloves on with the easy to grip dial.
- **Brim Grip** – A staple feature found on all of our premium hard hats that's designed to give the user a better grip when carrying their hardhat.
- **Brow Pad** – Durable synthetic leather construction that provides better sweat absorption than standard brow pads.
- **Multi-Color Thin Line Identification Pack** – Each Patriot DAX comes with a full sheet of mission-specific striping: blue, purple, gray, red, yellow, and green. Built for workers who want their hard hat to carry meaning, not just color.
- **Heat Rating** – Designed to offer outstanding protection in hot and dangerous industries, the DAX Hard hat shell has been tested to radiant heat loads producing temperatures up to, but not exceeding, 350˚ F (177˚ C).
