

FLEX TREAD MAT™ ALL-WEATHER PATHWAY

**Tackle the toughest jobs
without the risk of accidents
or a muddy mess.**

The Flex Tread Mat is built to withstand it all—rocks, mud, debris and harsh weather conditions. Easy to roll out, it's the durable pathway solution that replaces bulky plywood and won't break down from moisture. Keep your worksite safe, clean and efficient with long-lasting FR protection from Flex Tread.

**TOUGHER
THAN THE
JOBSITE.**
