

BESSEY® "H" Series Pipe Clamps

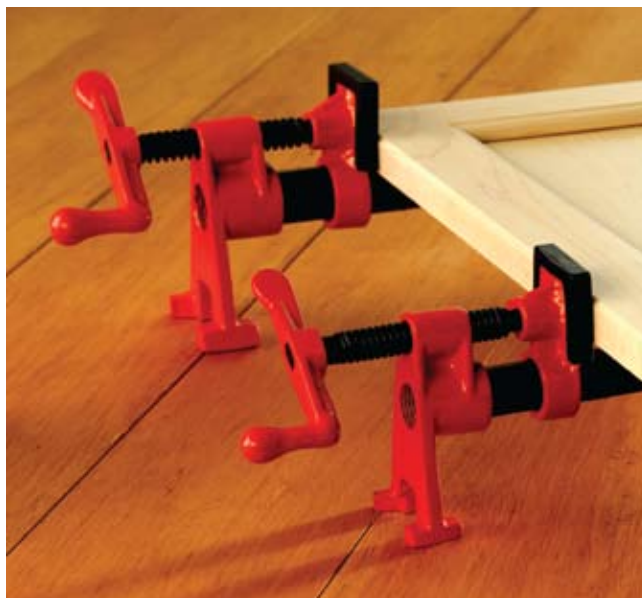

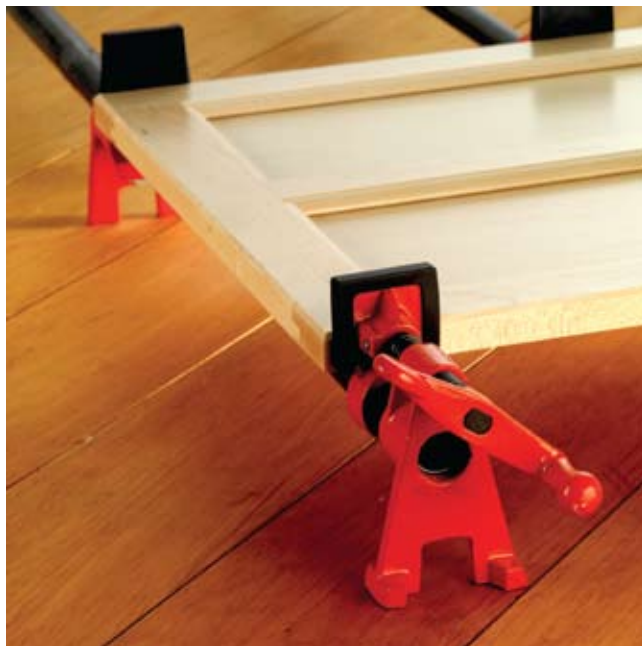

Simply better.

Dual-axis Stability With the "H" Series Pipe Clamp

The BESSEY® "H" Series Pipe Clamp has a rugged foot design that stabilizes the clamp in two dimensions giving dual-axis stability to the work piece. This is one of the most stable clamps available for a work piece set up...when you really need it.

Features

- The "H" shaped foot assembly stabilizes the clamp in two dimensions giving dual-axis stability to the work piece
- Extra high base provides hand clearance from the work surface
- Cast jaws for durability
- Smooth action spindle
- Patent Pending
